Does your child have any emotional, behavioral, or physical problems or conditions we should be aware of? (If yes, please explain and advise if he/she is under a doctor's care for the problem.)

I indemnify and save Gulf Coast State College (GCSC), its employees, volunteers, and agents harmless from any liability or medical payments resulting from my child's participation or other activities during his/her time at Gulf Coast State College. I further understand that GCSC does not provide medical insurance coverage for my child and that any medical expenses incurred will be paid by either my own medical insurance or me. I hereby grant permission for my child to attend, to participate in all the activities, and to be treated by a licensed physician in the event of any injury, accident, illness, or other situation that may require medical attention.

Basic standards of good behavior are required at all times for all students. Students are expected to behave in an appropriate manner toward their instructors and each other. If a child is a disruption for other students during class then they will be removed from the class and the guardian will be notified. Students with recurrent behavior problems will be dismissed without refund.

Your signature below signifies your understanding of the procedures used for disruptive or inappropriate behavior while on the campus of GCSC. It is important that you also understand that NO REFUND will be given if a student is dismissed from the program for inappropriate behavior.
