## **Who's Pumped For a New Semester? Kick Back at Welcome Back Week!**

*By Marisa Weiman, SGA Events Coordinator (Fall)*

It's the start of the Spring Semester and, you know what that means? It's time for Welcome Back Week! SGA is putting on a week of exciting events from January 10th through the 13th. Come and enjoy free food, games, prizes, and take the chance to meet new people. The start of the semester is always hectic, so why not take a chance to relax and enjoy? To stay up to date on events text, "GCEVENTS" to "79516" and don't miss out on the fun!

# SGA Welcomes 3 New Officers

*By Sophie Theiss, SGA President*

New semesters always lead to new faces at GCSC, but that also means more awesome people taking part in campus life! At the previous SGA Business meeting in December and with the Spring semester upon us, SGA has elected three new officers for the Spring to be a part of the SGA Executive Board. The new officers are:

- Alexis Taylor, Treasurer
- Amanda Tolliver, Events Coordinator
- Danie Oestreich, Online Engagement

Welcome these new officers with open arms and let us have a great semester!

Left to Right: Alexis Taylor, Amanda Tolliver, Danie Oestreich

## GCSC Student Spotlight: Sophie Theiss

*By Danie Oestreich, SGA Online Engagement*

The COVID-19 pandemic has found many new and unique ways to slow down the world we live in, but that does not stop the students of the Gulf Coast from striving to accomplish their very best. After receiving her A.A. in July of 2021, this bright scholar has continued with her education and expects to have her Digital Media B.A.S. completed in the Summer of 2021. SGA President Sophie Theiss was recently awarded the Outstanding Scholar Award for completing their A.A. with a 4.0 GPA. Although the world around us has slowed to a crawl, the talented and ambitious students of GCSC will not wait for the world to pass them by. Congratulations Miss Theiss!

The Team: Sophie Theiss, Ashton Norton, Marisa Weiman, Danie Oestreich, Rebecca Starke, Millie Lamb & Taylor Gilmore
